Game of thrones

Italian designer Poltrona Frau, maker of gorgeous furnishings, recently held a competition among designers to reupholster an armchair. Benjamin Hubert won with his stunning Renaissance-inspired design called Juliet. poltronafrau.com

Diplomatic immunity

From the French fashion house that makes everything from shoes to luggage and ready to wear collections, come six colourful new additions to their iconic travel guide series. The addition of Berlin, Istanbul, Milan, Rio de Janeiro, Shanghai and Singapore brings the collection to 21. louisvuitton.com
